

Dear Friends,

By now, most of you would have heard about the UnveilinGLORY Seminar on *Cat & Dog Theology*. It has been making waves around the churches in Singapore and Malaysia. Churches which have 'tasted' UnveilinGLORY have **unanimously and consistently given it high ratings**.

Before you find out about what **31 pastors and leaders** have to say about the impact and difference the Seminar has made in their churches and organisations, you need to hear the heartbeat of **Rev. Edmund Chan**, Senior Pastor of Covenant Evangelical Free Church, concerning the Seminar...

"UnveilinGLORY is fantastic! Its compelling 'Cat and Dog Theology' has made an enormous impact among many pastors and Christians. Such clear and creative biblical teaching is designed to provoke a vital paradigm shift. We have become too anthropocentric (man-centred) in our theology rather than theocentric (God-centred). The great need of the Church today is not a God-consciousness but a God-centredness! Many Christians are evidently God-conscious but essentially self-centred. UnveilinGLORY confronts that inherent self-centredness and mightily convicts us that life is primarily not about us, but about God and His greatest glory! This vital truth is foundational to authentic discipleship and to intentional discipling. Go for it!"

So don't miss the opportunity. **Schedule a seminar this year** so that your church too can be impacted by the powerful message of UnveilinGLORY.

Rev. George Ong
UnveilinGLORY
Certified Trainer

FROM THE PASTORS & LEADERS....

“In 34 years of Christian living and 29 years of fulltime Christian ministry, I have lost count of the Christian conferences and seminars that I have attended.

But if I were to list my ‘top 5 and must attend’ seminar for every Christian and pastor, without a doubt, the ‘Cat and Dog Theology’ Seminar is one of them.

It is so incredibly life-changing!

It lays and builds upon the foundational goals of Christian living.

It is deeply theological but communicated in terms that anybody; young or old can understand.

It is convicting – you will see the very core of your inner motives as in a mirror.

It is practical – the breakout sessions help you to apply the principles.

It is entertaining – Rev. George Ong's humour and communication style will ensure that you will stay in your seats.”

***Rev. Chan Nam Chen
Senior Pastor, Kajang Assembly of God (Kajang, Malaysia)***

“Rev. George Ong is one surprise package: he looks like your kind uncle, but has a winsome personality and strong presence on stage. He is humorous and multi-talented and preaches with masterly poise, clarity, conviction and power.

The Cat and Dog Theology is one presentation he gives that has blessed our church. It is scriptural, enlightening and yet riveting and practical.

What Cat and Dog Theology has done is to give the members an ideal that unifies the church in its vision of God and his purpose for them.

It takes the fragmented church life and unveils the underlying unified theme of seeking God's greater glory.

It is a call to return to God-centeredness and pursuing his greatest glory through missions.

It is a corrective to today's consumerist Christian tendencies.

I have heard nothing but praise and high marks for this seminar from the church members.”

***Rev. Kenny Chee
Senior Pastor, World Revival Prayer Fellowship***

“A weekend seminar on 'Cat & Dog Theology with Rev. George Ong was definitely 'paradigm shifting'.

It challenged us to move beyond our comfort zone of self centeredness to living for God's glory.

The truths shared, served as a very clear mirror to reveal the subtle infiltration of 'self' in much of our Christian living....a much-needed mirror for true transformation.

With the truth that Top Line blessings and promises must be matched by Bottom Line responsibility to bless the nations, many were challenged to a lifestyle of Christian responsibility.

The priority of Missions was deeply impressed in the hearts of many.

More than just head knowledge, it was indeed a heart-transforming experience.

Rev. George's interesting style of delivery spiced with humour, succeeded in captivating the audience.

His media presentation with audio visual effects during the seminar and weekend services facilitated greater learning, understanding and remembering.

While his messages in our services encouraged the people to stay strong during hard times, his humour books are now providing uplifting and endless fun to many.”

***Rev. Nancy Ong (Wife of Rev. Ong Sek Leang)
Associate Pastor, Metro Tabernacle (Kuala Lumpur, Malaysia)***

“Though both are from the animal kingdom, there is a world of difference between a cat and a dog in the way they respond to their owner.

However, the Cat and Dog Theology Seminar is not about cats and dogs but about our theology – how we view God and His ultimate purpose for our lives!

The seminar, pregnant with Scriptures, is fast-paced, humorous and interesting. Most of all, it is life-changing!

Rev. George's great sense of humour accompanied by the captivating audio-video presentation adds to the dynamics of this seminar.

A very relevant seminar no matter where we are in our walk with God – personally as well as collectively as a church!

Those who attended the seminar here at Agape Gospel Assembly in Seremban rated this seminar on the very high side of the scale. So did I.”

***Rev. Benjamin Yeoh
Senior Pastor, Agape Gospel Assembly (Seremban, Malaysia)***

“Thank you for bringing the Unveil in Glory Seminar to EFC Gospel Centre. **It was timely and very relevant. The church needed to hear what you taught.**

I am very glad that the Lord had used you to challenge us to move from our usual self-centered culture to being Christ-centered in our lives.

We had been greatly blessed by the Seminar.

We also thank you for speaking at our Sunday Service during which we sensed a strong presence of God.

Please pray with us that the truth learnt by us will produce permanent changes and lasting fruits in our lives. May the good Lord continue to bless your ministry among His people.”

Dr. Elder Chan Ah Kee
Chairman of the Evangelical Free Churches of Malaysia
Senior Pastor, Evangelical Free Church Gospel Centre (Subang Jaya, Malaysia)

“The Cat and Dog Theology series is a personal and provoking perspective on our ultimate purpose in life - to glorify God in all that we do.

It corrects our most common and often undetected misinterpretations of God’s blessings, His word and His great commission.

With Rev. George Ong’s dynamic delivery and sensitivity to the Spirit’s leading, participants were challenged to re-align their lives’ purpose and to unveil God’s greatest glory in their lives. **These are messages every Christian should hear!**”

Rev. Lee Twee Kim
Former Senior Pastor, Woodlands Evangelical Free Church

“No doubt I can now truly appreciate & identify with the various published compliments given by fellow ministers.

Very lucid, hard-hitting teaching delivered in a highly entertaining manner.

Several members have been touched to tears & convicted to serve Him more wholeheartedly.

My only regret is that we did not invite you much earlier.

The humble attitude you & your wife possessed is most exemplary.

May God’s glory continue to shine upon you & your ministry. Thank you so much.”

Pastor Jeffrey Lam
New Life Restoration Centre (Cheras, Malaysia)

“I would highly recommend the UnveilinGLORY Seminar to churches that want their members to have the ‘God-ward’ focus.

From the first session, my church members were jolted out of their comfortable ‘self-centred’ zone.

Spiced with wit, humour and practical examples, the seminar re-directed us to focus on God’s agenda of reaching the nations.

The passion for missions increased significantly as seen in greater support in missions’ participation and giving.

Devoting a month to the Seminar in our main services was definitely worthwhile!”

*Rev. Robert Lum
Assistant General Superintendent of the Assemblies of God of Singapore
Senior Pastor, Eternal Life Assembly*

“Rev. George Ong conducted the UnveilinGlory Seminar for our Missions Seminar in March 2004.

The Seminar started on a Sunday, and continued the following Wednesday night. Normally, the weekday service is not well attended. **However, on that Wednesday night service, I had one of the best crowds.** I believe it was due to the fact that the members really wanted to listen more to the speaker, Rev. George Ong, and on the subject matter concerned.

Rev. Ong is a humorous and riveting speaker, who delivers the Word of God in a practical and powerful way. I highly recommend his ministry to anyone in any setting.”

*Rev. Lawrence Koo
Senior Pastor, Agape Community Church*

“The UnveilinGLORY Seminar was truly superb and highly effective in communicating the core issues of the Gospel of the Kingdom.

The Seminar touches on ‘sensitive’ issues of the heart concerning discipleship and what it really means to be a Christ follower.

Above all, it shows the church what the bottom-line of the Gospel really is - He came to save us so that we could be His witnesses to the ends of the earth.

Our church was greatly challenged, convicted and compelled to be completely and compassionately committed to the Great Commission.

I highly recommend the Seminar to any church who is serious about the Gospel business!”

*Rev. Timothy Ewing-Chow
Pastor, Westside Anglican Church*

“On July 4 and 11, His Sanctuary hosted the Unveil in GLORY Seminar conducted by Rev. George Ong.

The response of those who attended has been tremendous. Many testified that they have never heard anything like this before. The way it was presented was both interesting and entertaining.

The content of the seminar brought us back to the foundation of our very existence as a human being - what on earth are we doing here?

The lenses, by which everything in life is judged, embraced or rejected, are forever changed because life on earth is primarily about God and not about us!

I know that our church will no longer be the same again.

Your congregation will be greatly blessed by this truly ‘one-of-a-kind’ seminar.”

*Pastor Thomas Lim
Former Senior Pastor, His Sanctuary*

“An essential message for Singapore churches today! In this critical time and age, we need to focus not just on God’s top-line blessings, but also our bottom-line responsibilities.

This Seminar is effective in changing our perspective and mobilising a potential army of end-time workers who are set to re-claim Singapore and the nations for God.

Pastor George is a great communicator. He is light-hearted and has the ability and anointing to set the audience’s hearts ablaze.”

*Mrs Ong Guek Ju
Dean, Tung Ling Bible College*

“We have heard of people ‘fighting like cats and dogs’ or the rain ‘falling like cats and dogs’, but what of the ‘Cat and Dog Theology’?

Rev. George Ong unpacked for us over a four-week period the distinction between a Me(ow!)-first or a Master-first attitude in our relationship with God.

The engaging multi-media presentation and Rev. George Ong’s energetic approach brought across a potentially prickly message graphically and simply.

It was light-hearted yet insightful. We laughed at ourselves.

And the message made us re-examine and repent of some of our motives, actions, and even basic theology, as we approach the throne of God and live out our deepest convictions.”

*Eu Eng Kong
Chief Executive Officer, Metropolitan YMCA Singapore*

"Dear Pastor George, thank you for coming to Cheras EFC and conducting the "Cat and Dog Theology" seminar for us in January 08.

It was very well attended as almost 65% of our people were there. This is by far the best attended seminar in the history of the church.

The seminar was well taught and the people were not tired even though they had to sit through 3 sessions a day!

I believe it impacted their lives and made them think again as to whether their attitudes were in line with the scriptures. Thank you for the job well done."

***Elder Nio Swee Kiang
Cheras Evangelical Free Church (Cheras, Malaysia)***

"The UnveilinGLORY Seminar brings forth a powerful message and timely reminder that the church needs to hear: "It's all about God and His glory, and not about us."

Participants were greatly impacted as they became acutely aware of the motives behind their thoughts, actions and behaviour. There was a new concern to put God first in every aspect of their lives and ministries.

This Seminar is a must for any church that desires God to put a fresh passion in His people towards giving Him the maximum glory."

***Rev. David Liew
Former Pastor-in-charge, Hingwa Methodist Church***

"Wow! It's awesome! I am absolutely glad to see what this seminar has brought to the lives of my people. Not to forget, God has given us an anointed speaker, Rev. George Ong, with his humorous nature and the clarity of presenting the Word of God. I thank my God for him and his lovely wife, Kwee Siew."

Just by looking at the following comments from the participants of this seminar, reflect the quality of the speaker and the contents, the effectiveness of the seminar and how meaningful it had been to them:

"Knowing that we are actually living our Christian life in an 'incomplete' way kind of struck the heart."

"The simplicity of the message and the ease of understanding it."

"It makes me realise how self-centred I am."

"The different perspective of both dog and cat theology opened my eyes/awaken me to the true purpose of what a Christian life truly is!"

"Changed my perspective of the Christian life!"

"It has made me realised that all this while, I have only been thinking of myself, and never once thought of asking God what He wants."

"It refreshed my Christianity in a way that I never thought of, hence, a very big impact."

***Pastor Daud Tham
Senior Pastor, Likas Baptist Church (Kota Kinabalu, Sabah)***

"The UnveilinGLORY Seminar was introduced to the church as part of our missions programme.

Rev. George Ong in his humorous and clear presentation, brought a serious message that challenged us to examine what the Christian Life is all about.

Members who attended the Seminar found it inspiring, thought-provoking and life-changing. This is a seminar not to be missed."

***Rev. Stephen Lim
Vicar, St. Matthew's Church***

"I strongly endorse the message in the UnveilinGlory Seminar. We have benefited much from a re-focusing of our self-oriented interpretation of the Bible to a focus on God's glory."

***Tang Kok Fai
Pastor, Pasir Panjang Hill Brethren Church***

"The UnveilinGLORY Seminar helped us to be more aware of the need to be outward-looking. Some members were challenged to 'soul search' in regard to their relationship with God.

The missions emphasis in the Seminar was timely in preparing us for sending our first career missionaries to Cambodia.

The teaching concerning the selection of worship songs was particularly helpful to our church. The worship leaders in my church have improved in selecting songs that are God-centred rather than self-centred.

I do recommend any church to invite Rev. George Ong to conduct the UnveilinGLORY Seminar."

***Rev. Sebastian Chua
Former Pastor, Abundant Life Baptist Church***

"Most of us, if we are honest, have that gnawing feeling that there is a very serious problem with the modern church today, yet we can't exactly describe what it is. The UnveilinGLORY Seminar gives 'flesh' to the diagnosis by using the powerful analogy of the dog and cat.

It is so disarming that you find yourself enjoying it while being 'scolded'.

The message is clear and powerful: Life is not about us; it is all about God. Now we have a common 'language' to speak in my church!"

***Rev. Choy Wing Yut
Former Pastor, Evangel Baptist Church***

“The UnveilingGLORY seminar has been life transforming for the whole church. Rev. George Ong made us laugh at our own selves while the Spirit of God was doing a major surgery in the minds and hearts of the people.

This seminar has made my ministry much easier because the members realise the key issue of Christian living is that life is not about us but life is all about God and obeying Him to fulfil the Great Commission.

Our church has not been the same after the seminar.”

Rev. Aris Siew

Senior Pastor, Praise City Church (Cheras, Malaysia)

“‘Are you a cat or a dog?’ greeted Seok Khoon. This has become a common greeting and a prompter for some of my church members to consciously check our relationship with God.

Want to live a life that is pleasing to God and don’t know how? You will find the answer in the UnveilinGLORY Seminar and learn to live life to its fullness as intended by God.”

Or Chee Meng

Missions Chairman, Queenstown Lutheran Church

“I am most grateful that Bob Sjogren shared the UnveilinGLORY message at the GO4th Missions Conference in 2002 and that George Ong has taken on the mantle for Singapore to promote this primary message of the Bible.

The UnveilinGLORY Seminar was conducted at our church camp this year, and all who attended the camp benefited from the Seminar.

As a pastor, I covet your prayers to translate this fundamental message and raise senders, welcomers, mobilizers and goers so that every member may be a personal evangelist and world Christian.”

Rev. Canon Louis Tay

Former Vicar, St. Hilda’s Church

“I never realised how selfish I can get in my walk with my dearest Friend, Jesus. It has always been me, myself, and I; and boy do I hurt His feelings!

During the seminar, my conscience has smacked me real hard on my head - it’s not about me, it’s never about me, it’s all about God! And it’s high time I see that ugly side and eliminate those *cattish (self centred)* ways.

I’m thankful for such an opportunity to see God in a new, refreshing light. In a nutshell, the Cat & Dog Theology Seminar has helped setting my view about God straight; now in all things I do, instead of seeking credits and self-satisfaction, I want to give all glory and praises to Him; instead of whining about my work, I remind myself that there’s a season for everything in everywhere, and that to look towards God’s purpose for me to be where I’m today. **Essentially, it’s really all about bringing glory to His majestic Kingdom!”**

Member of Subang Jaya Assembly of God (Malaysia)

“It was the most fruitful seminar that I have ever attended. It is simple yet life transforming. It is direct, straight to the point in helping me to see the very core of my inner most being.

The way Rev. George Ong communicated has helped me to see that he is a servant of God who has great passion in His Word, a man of God who moves in faith and a brother who love God’s people. His humorous presentation will surely give you an unforgettable moment of laughter and joy.”

***Rev. David Wong
Vicar, Church of Our Holy Savior (Labuan, Sabah)***

“Thank you so much for bringing such a great blessing to our church. **We have been challenged to our core.** The message has reaffirmed and rekindled our hearts in all that we are doing in our church ministry. May the Lord bless you and your family as you persevere to state the only premise that we as God's redeemed people should live for....*For the Glory of God!*”

***Pastor Timothy Phua
Mount Horeb Bible Presbyterian Church***

“With no hesitation will I recommend Pastor George Ong's teachings on the ‘Cats and Dogs Theology’ to any congregation. The teachings were simple, fun and thought provoking. No one can leave the sanctuary without knowing whether they are the ‘Cat’ Christians or ‘Dog’ Christians. This seminar is definitely worth it for every member who wants to be ‘God Centered.’”

***Pastor Alfred Yeo
Zion Full Gospel Church***

“The UnveilinGLORY Seminar was conducted by Rev. George Ong recently in our church on 5-6 July 2008.

It was thought-provoking but yet was clearly presented in a humorous way coupled with ‘catchy’ audio-visual presentation to unfold the actual meaning of our very existence and purpose in life.

The message brings about a paradigm shift from SELF-centeredness to GOD-centeredness. It has instilled a greater level of ‘servanthood’ attitude in the lives of believers both in life and ministry.

It also projected powerfully the importance of true discipleship in fulfilling the Great Commission.

Many who attended the seminar were inspired and at the same time benefited so much from it. A captivating seminar that is refreshing and relevant to churches in the 21st century.”

***Rev. Daniel Loh
Senior Pastor, Canaan Church Sri Hartamas (KL, Malaysia)***

“Life-transformation is the message that George Ong teaches. Weaving in his humour is a way of connecting with the community of all age groups.

The Cat and Dog Theology seminar was an eye-opener for the congregation as they began to understand how to live Christ-centred lives and how God's blessings upon our lives is to be lived out for the purpose of fulfilling the Great Commission.

I strongly encourage every pastor, leader and Christian to attend this seminar as it is life-changing! Thanks George and Kwee Siew for your simplicity and Christ-centred lifestyle.”

Rev. Eu Yat Wan
Senior Pastor, New Life City Church (Perth)
former Associate Pastor of Trinity Christian Centre (Singapore)

“Our church has been blessed and benefitted much by your ministry.

Your teaching on Cat & Dog Theology was well received.

I'm quite confident that your teaching has impacted many members in Emmanuel Assembly of God.”

Rev. Alfred Ang
Senior Pastor, Emmanuel Assembly of God

“Once again, UnveilinGlory Seminar has fulfilled its God's designed purpose and objectives.

I am particularly encouraged by its impact on our members.

The seminar has re-orientated their perspective of the Christian life, causing many to re-examine their priorities and re-dedicate their lives to God.

Even for the more mature ones, the seminar reaffirmed both their conviction and conduct.

Ultimately, everyone recognizes the fundamental truth of living for and focusing on God's glory.

Of course, Rev. George Ong's gifted communication skills enhanced the impartation of God's essential principles for life.

I wholeheartedly recommend this seminar for all who wishes to see the establishment of a movement of authentic Christ-followers with transformed life prerogatives arising out of a God-centred outlook of life.”

Rev. Michael Yeo
Senior Pastor, Church of Praise (Johor Bahru, Malaysia)
